HOMEWORK

Chap. 4: Do problems 2, 3, 5, and 8 at the end of Chap. 4

Also answer the following.

During the “snowball Earth” period(s), why didn’t the Earth go through a runaway freeze for which it could never recover? That is why was the Earth able to recover from the very deep ice age?

Due Oct. 10, 2002
DO NOT DO THE REVIEW QUESTIONS OR DISCUSSION QUESTIONS, ALTHOUGH IT IS A VERY GOOD IDEA TO GO OVER THESE FOR YOUR OWN BENEFIT.
